

It is always great to be back at Beaver Springs Dragway. Not only is it a well run track but has the friendliest ownership and staff! We began the day with a 23 car field but ran eliminations with 22 as Pat Kelly broke during qualifying.

**Sat. July 9th**

### **Qualifying Results**

Low Reaction Time	Clayton Deming	0.0008
Low ET	Paul McCorkle	8.47
Top Speed	Paul McCorkle	150.58

### **Eliminations Round One:**

**Race One:** Eliminations began with Ray Bloom taking on Bob Smith now running the late Gordy Ford's Marylander (happy to see this car has found a loving home.) This was a double breakout race with Ray taking the win.

**Race Two:** After clicking off that lightening fast reaction time in qualifying Clayton Deming met Carly Boyer in round one. Reaction time made the difference in this one as both racers ran .07 over their dial but Clay's .087 RT vs. Carly's .125 RT was the margin for the win.

**Race Three:** Ed Linus lined up against Bruce Deming in race three. Bruce went .021 red handing the win to Ed who had a respectable .099 RT and ran 10.14 on his 10.0 dial.

**Race Four:** Dave Fenzel and Jack Zeilsdorff squared off in this one. Dave advanced with a solid .013 RT running 10.54 on his 10.31 dial while Jack was lazy on the line with a .213 RT and broke running 12.27 on his 12.16 dial.

**Race Five** Race five pitted Don Fardie in the Deuces High Nova against Brian Jones in the Jackpot Falcon. Brian was a bit sleepy at the light with a .223 RT and Don took the victory with a .015 RT running a 10.76 on a 10.57 dial.

**Race Six:** Race six saw Scott Hasko against Vinny Cocchiaro. Vinny went .119 red having the win to Scott who ran a leisurely 12.25 on his 11.60 dial.

**Race Seven:** This one saw two of our “faster guys” (Mike Alessi and Paul McCorkle) go at it. Both racers ran approximately .04 over their dial-ins but once again RT won the race with Mike’s .02 to Paul’s .143 being enough for the win.

**Race Eight:** In the race of names with lots of vowels Bill Magliane met Al Cocchiaro. Al went .129 red handing the win to Bill who ran a 10.62 on a 10.58 dial.

**Race Nine:** Tommy Magers and Brian Hutchinson lined up for race nine. Tommy had a slightly better light (.071 to Brian’s .100) and ran 10.628 on his 10.48 dial for the win.

**Race Ten:** Bob Bower and Robert Carson fought it out in this one. Bob was running a mild “back-up” small block Chevy since “grenading” his blower motor. Neither racer had a quick light and Bob’s 12.468 on his 12.45 dial bested Robert’s 11.27 on his 10.58 for the win.

**Race Eleven:** The final race of round one featured Rigor Mortis Ron Carson against Jim Wheeler. Jim cut a better light (.063 to Ron’s .1387) but broke out handing the win to Ron who ran virtually right on his dial with a 9.731.

## **Eliminations Round Two:**

**Race One:** Ray Bloom and Don Fardie started the first race of round two. Don went .015 red handing the victory to Ray who ran a 11.29 on his 11.11 dial.

**Race Two:** Bill Magliane and Clayton Deming fought it out in this one. Bracket racing is a game of reaction and consistency. Even though Clayton ran an amazing 10.6300 on his 10.63 dial and Bill ran 10.64 on his 10.61 dial, Bill’s .03 light vs Clayt’s .1377 was enough to squeak out a close victory.

**Race Three:** Race three saw Mike Alessi up against Bob Bower. Bob went a disappointing .-69 red handing the win to Mike who ran a consistent 9.40 on his 9.39 dial.

**Race Four:** Ron Carson took on Ed Linus in race four. Ron had a solid .09 RT and ran 9.75 on his 9.73 dial. Ed broke out running 10.06 on his 10.08 dial so Ron advanced.

**Race Five:** This race featured Tommy Magers against Scott Hasko. Scott went a heartbreaking .05 red giving the win to Tommy who ran 10.51 on his 10.48 dial.

**Race Six:** The final race of round two was a Dave Fenzel bye run. Using this as an opportunity for another time shot Dave ran a 10.27 on a 10.31 index.

### **Eliminations Round Three:**

**Race One:** Round three started off with Bill Magliane against Ray Bloom. Bill had a .088 light and ran 10.81 on his 10.61 dial for the win. Ray had a slower .280 RT and ran a 11.36 on his 11.20 dial.

**Race Two:** Dave Fenzel drew Mike Alessi in race two. Dave was on his game with a .04 reaction, running 10.30 on his 10.29 dial for the win. Mike went .047 red and broke out by .02.

**Race Three:** The final race of round three saw Ron Carson vs Tommy Magers. This was a double red-light race (Ron -.038 and Tommy -.092) with the win going to Tommy.

#### **Eliminations Round Four (Semi Final):**

**Race One:** Dave Fenzel and Ron Carson squared off in this first race of the semis. Ron went a disappointing .033 red giving the win to Dave who was again on his game with a .06 light and a 10.36 on a 10.31 dial.

**Race Two:** Bill Magliane had the bye and clicked off a 10.58 on a 10.61 dial.

**Eliminations Round Four (Final):** Not surprisingly both racers had excellent numbers. Bill had a .072 reaction and ran .07 over his dial. Dave had a lightening fast .0199 reaction and ran a .04 closer 10.42 on his 10.38 dial for the victory. Congratulations to winner Dave and runner up Bill.
